

Zhejiang Java Specialty Chemicals Co., Ltd	Name	No: Q/JH04-E102-2011	
	Safety Data Sheet	Version: A/1	No: 1 / 5

1. IDENTIFICATION OF THECOMPANY

Chinese Name: 有机硅塑料添加剂 GT-625

English Name: Siloxane additive GT-625

Company Name: Zhejiang Java Specialty Chemicals Co., Ltd

Add: Fengkeshan Village, Xiaoyue Town, Shangyu District, Shaoxing City, Zhejiang, China.

Postcode: 312367

E-Mail: renji@javachem.com

Tel: +86-575-82536722

Fax: +86-575-82536723

Enterprise Emergency Telephone: +86-575-82536722

Emergency Telephone: 120,119

Effective Date: Sept, 2016

2. HAZARDS IDENTIFICATION

Risk Category: non - dangerous goods, no problem

Pathway: no problem.

Health hazard: no problem.

Environmental Hazard: no problem.

Explosion danger: no problem

Other Danger: exposure to hot melt of this product may cause thermal burns

3. COMPOSITION/INFORMATION

Chemical Compositions: Ultra-high molecular weight polysiloxane & SAN

Styrene-Acrylonitrile copolymer (blend)

No.	Chemical name	CAS#	by weight %
1	Polysiloxane	9016-00-6	45-55
2	Styrene-Acrylonitrile copolymer (SAN)	9003-54-7	45-55

Risk Component

Chemical Name: octamethylcyclotetrasiloxane

CAS No: 556-67-2

wt.% < 0.5

4. FIRST AID MEASURES

Skin Contact: if contact with hot melt material, wash off immediately with plenty of water to

Zhejiang Java Specialty Chemicals Co., Ltd	Name	No: Q/JH04-E102-2011	
	Safety Data Sheet	Version: A/1	No: 2 / 5

cool down, do not remove any clothes or shoes on burns and get medical attention.

Eyes Contact: if there is foreign body sensation in the eyes, wash with plenty water or get medical attention.

Inhalation: if inhale the smoke in the process of hot melting, remove to fresh air. Get medical attention if symptoms persist.

Ingestion: get medical attention if ingested by mistake.

5. FIRE-FIGHTING MEASURES

Extinguishing Media: use dry chemicals, foam or water spray when big fire, and use carbon dioxide (CO₂), dry chemical or water spray when the small fire. Cool containers which are exposed to the fire with water.

Prohibited Extinguisher: not confirmed

Special Hazard: no

Special Extinguish Procedure: decide whether necessary to evacuate or isolate this area according to the local emergency plan.

Protective Equipments of Firefighters: when extinguishing the fire involving chemicals, firefighters should wear self-contained breathing apparatus and protective clothing.

6. ACCIDENTAL RELEASE MEASURES

Personal Protection: avoid contact with hot material. Do not drink.

Emergency Treatments: recycle directly, avoid to enter the drainage system or water.

Elimination Methods: sweep up and put into a container for disposal.

7. HANDLING AND STORAGE

Handling: using the exhaust ventilation equipment fully, avoid contact with hot materials.

Storage: store in a cool, ventilated and dry place and avoid the fire.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Engineering Control: use ordinary ventilation equipments

Respiratory Protection: basically unnecessary

Hands Protection: wear general industrial gloves, when operate hot melt products, wear

Zhejiang Java Specialty Chemicals Co., Ltd	Name	No: Q/JH04-E102-2011	
	Safety Data Sheet	Version: A/1	No: 3 / 5

chemical protection gloves

Eyes Protection: use proper protection - safety glasses

Other Protection: implement a good industrial hygiene measures, please clear up after operation. Avoid contact with hot materials.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: White to light yellow grain

Odor: odorless

MFR: 19g/10min

Density: 1.00 g/cm³

Combustibility: not applicable

Main Users: processing aid for thermoplastics material

10. STABILITY AND REACTIVITY

Stability: Stable

Avoid Contact Conditions: High temperature, do not touch when the temperature nearly 250°C, in order to avoid burns from thermal decomposition and combustion.

Decomposition Products: carbon and carbide micro incomplete combustion, silica.

11. TOXICOLOGICAL INFORMATION

Exposure: skin contact and accidentally swallowed

Effects and Symptoms of Excessive Contact: no significant adverse effects on the normal conditions of use

Acute Toxicity:

Chemical name octamethylcy-clotetrasiloxane

CAS No 556-67-2

LD50 (oral) : > 5000mg/kg (rat)

LD50(skin) : > 4640mg/kg (rabbit)

LD50(suction) : 36mg/L (rat ; steam for 4 hours)

Eyes: exposure to this product on hot-melt occasion may cause thermal burns

Skin: exposure to this product on hot-melt occasion may cause thermal burns

Zhejiang Java Specialty Chemicals Co., Ltd	Name	No: Q/JH04-E102-2011	
	Safety Data Sheet	Version: A/1	No: 4 / 5

Ingestion: normal use only with very low intake of harm

Inhalation: This product is the granular material, no inhalation hazard. But the dust and smoke generated in the manufacturing process may be irritating.

Chronic Toxicity

Ingestion: repeated or a large number of intakes can cause physical harm

12. ECOLOGICAL INFORMATION

Aquatic and Terrestrial Ecological Toxicity

Ecological Toxicity:

Acute Effects: not indicative of deleterious effects on aquatic organisms

Chronic Effects: not indicative of deleterious effects on aquatic organisms

Effect on wastewater treatment plant: not indicative of deleterious effects on bacteria

Persistence and Degradation in Water: solid objects, not soluble in water

The Potential for Bioaccumulation

Mobility in Soils: This product is solid, does not contain considerable concentrations of water-soluble components which may filter out from the product, so there is no harm on terrestrial objects.

13. DISPOSAL CONSIDERATIONS

Waste Property: ○Hazardous waste ◎Industrial solid waste

Waste Disposal Method: disposed as general waste

Disposal Considerations: no

14. TRANSPORT INFORMATION

IMDG Code: —

UN Code: —

Packing Mark: —

Packaging Categories: PE bag heat sealing, 25kg/bag net weight.

Transport Note: light unloading, avoid laceration.

15. REGULATORY INFORMATION

Zhejiang Java Specialty Chemicals Co., Ltd	Name	No: Q/JH04-E102-2011	
	Safety Data Sheet	Version: A/1	No: 5 / 5

Hazardous chemicals listed in article 3 of 《Regulations on Safety Management of Hazardous Chemicals》 refer to the seven categories of classification criteria regulated by China National standard GB6944-2012 《Classification and Code of Dangerous Goods》

Refer to: 《Regulations on Safety Management of Hazardous Chemicals》

The People's Republic of China national standard
GB6944-2012 《Classification and Code of Dangerous Goods》

16. OTHER INFORMATION

Reference: —

Revision Date: Sept. 1st, 2016

Fill in the Department: Technical Department

Data Verification Unit: —

Revision Description: —

This material is not the product manual, but in order to provide the concept of a representative value. There is no guarantee, expression or implication. Industrial hygiene and safety procedures recommended are believed to be generally applicable. However, each user should review these recommendations in the specific context of the intended use and determine whether they are appropriate.
