Joe Grondin - Leader

Joe will guide you through a 12-week study of Liberation Through the Gospel. The first church council ever recorded, found in the 15th chapter of the book of Acts, discussed the question of the relation of the “Law” to the Christian believer who is saved by grace. This Law was true in the days of the Apostolic Church and has been discussed throughout centuries of church history. The council was also the occasion for the writing of the Apostle Paul’s sharpest epistle, “The Letter to the Galatians” Churches. Join us in a study of this letter and together we will explore the life of grace in relation to the law of God. **(Low-Prep, Mid-Commitment)**
