## Our Clients are Our Best Resources

Corsaro & Associates Co., LPA aims to provide a cohesive approach when advising closely held businesses and high-net worth individuals on legal matters involving tax, business and wealth preservation planning.

**CARIANNE STAUDT**, the firm's youngest partner and first-time Rising Stars honoree, is a standout in the firm's tax, business organizations and estate planning practice groups. Staudt's skillset is grounded in her tireless work ethic and commitment to clients. Her ability to implement complex and multilevel planning strategies is unparalleled. Staudt attributes her success to the opportunity to learn from and work directly with the firm's founder and 14th time Super Lawyers honoree, **JOSEPH CORSARO**. "It's rare that a truly seasoned professional is willing to make such a commitment to educating a young lawyer," Staudt says. "His personal discipline, attention to detail and desire to better the practice of law are present in everything he does. I'm learning from the top in my field."
