Comprehensive, Insightful Legal Services for Businesses and Business Owners

Corsaro and Associates is a full-service law firm focused on tax, estate and wealth preservation planning for closely held businesses and high-net-worth individuals and families.

The firm’s founder, Joseph G. Corsaro says, “We have a team of talented and experienced legal and accounting professionals whose mission is assisting clients in creating and preserving wealth. We are not simply ‘overhead’ for our clients, but rather wealth enhancers and advisers for business operations. We accomplish this through comprehensive and integrated tax, estate and business succession planning designed to suit each client’s needs. Using tax and estate planning tools such as Family Limited Partnerships, Private Foundations, Grantor Retained Annuity Trusts, Charitable Remainder Trusts and Irrevocable Life Insurance Trusts, we are able to lighten the income, estate and gift tax burden of clients.”

Heading up Corsaro’s team of talented and experienced professionals are owners: Joseph G. Corsaro (named to Super Lawyers 2008-2012, 2014-2020 and Certified Tax Specialist), Joseph M.
