

# gen<sup>2</sup> Work

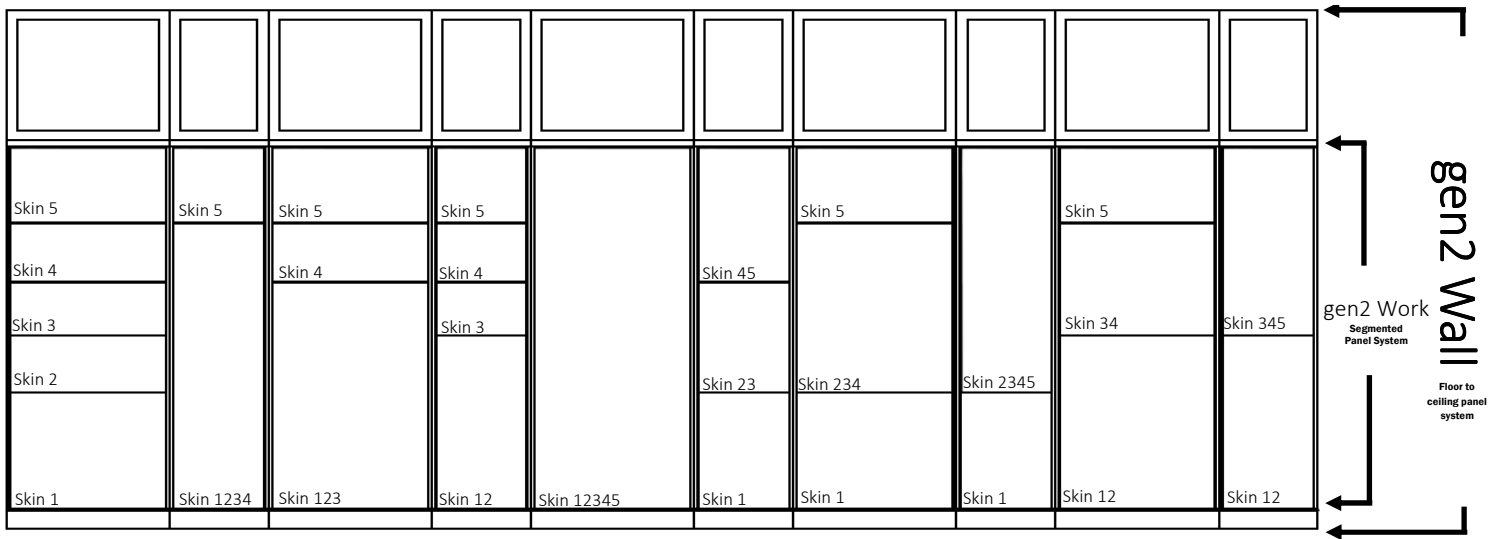

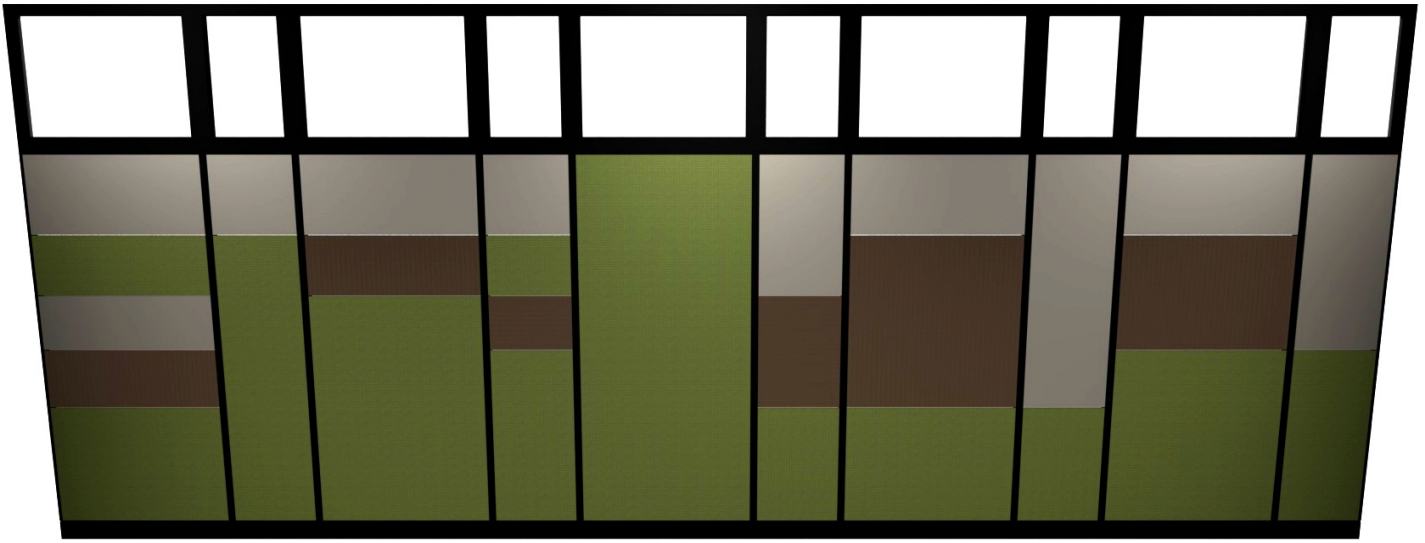

*Our most popular line of modular furnishings.*

**gen<sup>2</sup>**  
OFFICE FURNITURE®  
Manufactured by National Office

gen<sup>2</sup> Work can construct furniture for any configuration including open plans, private offices, reception areas, and more. gen<sup>2</sup> Work incorporates all of our gen<sup>2</sup> products, and allows each client maximum customization of their workspace.

gen<sup>2</sup> Work features our Segmented Avenir Panels. Customize your panels with glass, fabric, laminate, markerboard or an array of decorative materials. Virtually any look can be achieved, just ask us!
