

MASTER BOLT

Sourcing & Solutions Group

Machined & Fabricated Parts & Assemblies

Whether your parts need to be turned, milled, cut, welded, formed, or what have you, Master Bolt can provide everything you need! We can make parts in house, source parts overseas, source parts from domestic manufacturing partners, bring in blanks to modify, and so much more. At Master Bolt, it's not just about the parts, it's about the solutions!

Please send your requirements to:

Steve.Timura@MasterBolt.com or Call: (440) 829-8694
