The re-entry status of the courtesy runner, pitcher, and catcher shall not be affected by this rule. If at any time, a courtesy runner is determined to be ineligible, a proper replacement pursuant to these rules (if available) shall be used without penalty.

G16d: A runner who jumps over a player will be called out whether or not contact is made with the defensive player.

G17 - The Pitcher

G17a: A player removed from the pitching position (starting pitcher or subsequent relief pitcher) may not return to the pitching position for the remainder of the game. The defensive team may correct this rules infraction at any time by substituting a legal pitcher without penalty. If an illegal pitcher is permitted to pitch, any pitch or play that results is legal. The rule violation should be caught by the Umpire or the offensive team and immediately corrected. If the violating pitcher has legal innings remaining, the violation is deemed an improper substitution and is corrected without penalty. If the violating pitcher has no legal innings remaining, it's deemed a pitching limitations violation pursuant to One Nation Baseball Rule **G17f**.

G17b: The end of the day for the purpose of this rule shall be the time of day or night when the ballpark is shut down and the teams go home for the night break. Games that for any reason extend past midnight (12:00 AM) or start late at night, past midnight (12:00 AM) and are completed before the teams take the night break, shall count as being played on the scheduled day. A game not completed before the night break pursuant to One Nation Baseball Rules, shall be a suspended game. Suspended games, when resumed (the next day or another day), shall count as being played on two different days. The outs recorded during the portion of the game played prior to suspension shall count as being played on the regularly scheduled day and the outs recorded during the portion of the game played once resumed, shall count as being played on the resumed day.

G17c: ONE DAY MAXIMUM TO PITCH THE NEXT DAY: The maximum number of innings a player can legally pitch in one (1) day and still pitch the next day.

7u-12u 1 Day 3 / 2nd day 3 / 3rd day 8 max

13u-14u 1 Day 3 / 2nd day 7 / 3rd day 8 max

15-18u Unlimited

Example: In the 7U – 14U age divisions, a player may legally pitch a maximum of three (3) innings in one (1) day and still legal pitch the next day. The player pitches three and one-third (3 1/3) or more innings in one (1) day, the player cannot legally pitch the next day. In the 7U – 12U age divisions, a player may legally pitch a maximum of six (6) innings in one (1) day. The player would be ineligible to pitch the next day. Similarly, in the 13U – 14U age divisions, a player may legally pitch a maximum of seven (7) innings in one (1) day. The player would be ineligible to legally pitch the next day.

G17d: THREE DAY MAXIMUM: The maximum number of innings a player can legally pitch in three (3) consecutive days.

Example: In the 7U – 14U age divisions, a player may legally pitch a maximum of eight (8) innings in three (3) consecutive days. Similarly, as a player may legally pitch any combination of innings to equal eight (8) innings in three (3) days as long as the player doesn't pitch more than three (3) innings the first (1st) or second (2nd) days.

A player that pitches eight (8) innings in two (2) consecutive days **MUST** rest the next day. A player that pitches three (3) consecutive days (regardless of total quantity of innings pitched) **MUST** rest the next day.

For all cumulative totals in this rule, one (1) out equals one third (1/3) of an inning, two (2) outs equals two thirds (2/3) of an inning and three (3) outs equals one (1) full inning. A pitcher that pitches in a game and records no outs is not charged with any innings pitched. Outs recorded during a game that ends in forfeit shall count towards a pitchers' innings limits.

For purposes of pitching limitations rules, a pitcher is in violation of the rule if he records any out above the legal pitching limits pursuant to these rules.

Exception: Exceeding the maximum innings allowed in the case of a double or triple play shall not be counted against the pitcher for the purpose of this rule but shall be counted towards the pitcher's limits with regards to the eligibility to pitch the next day, etc.

It shall be the responsibility of each team to challenge pitching violations by notifying the Umpire and then filing a protest with the League Tournament Director. A protest may be filed at any point after the pitcher in violation records any out beyond his legal limit **AND** while the pitcher in violation is in the game as the pitcher of record. If such violation is the last recorded out of the game, the protest **MUST** be filed prior to the umpires and the protesting team leaving the field of play.

G17f – Penalty Any violation shall result in immediate forfeiture of the game. If such violation occurs during Pool Play, the team in violation of the rule may not advance to the Championship bracket regardless of record. Pitch counts may be used in Major Events with the approval of the Association's Executive Vice President of Baseball Operations.

G18 – Pitching mound visits will remain 2 coach's visits per inning, with the second coach's visit to the same pitcher in the same inning resulting in a pitching change.

RULE L - SAFETY RULES

L1 - FEDERAL, STATE AND LOCAL CONCUSSION LAWS:

One Nation Baseball, as a sanctioning body of athletic events, shares the concerns being raised on a national and local level regarding concussions and concussion symptoms in participants, coaches/managers and umpires/referees in One Nation sanctioned activities. One Nation encourages its directors, umpires, coaches, referees, teams, team managers, and all adults involved in youth activities and participants to learn all they can about concussions in athletics and requires each of them and each of the One Nation directors to follow all federal, state and local laws (including concussion training and reaction laws) with regard to athletic competition sanctioned by One Nation Baseball. In addition, One Nation has added the following to the rule books of each One Nation baseball event which does not defer to another organization for its rule book.

Upon becoming aware that a participant or coach/manager of his team has received a suspected concussion (or has been struck in the head area with any significant force), the Team Manager will not allow that person to participate in any One Nation sanctioned event and if occurring during a One Nation sanctioned event, shall have that person removed from the playing field of any One Nation baseball sanctioned event. Upon becoming aware that a participant, coach/manager or official/umpire/referee has received a suspected concussion (or has been struck in the head area with any significant force), a One Nation official/umpire/referee or director will have that person removed from the playing field of any One Nation Baseball sanctioned event. Without a written medical written clearance from a licensed medical doctor to return to play, such persons will not be allowed to return to the One Nation playing field in a One Nation Baseball sanctioned event. For officials/umpires/referees, the medical written consent form must be presented to the Tournament Director and retained permanently by the One Nation Baseball State Director. For participants and coaches/managers, the medical written medical consent form must be presented to the Team Manager and retained permanently by the Team Manager. Any Team Manager, who allows a coach/manager or participant back on a One Nation sanctioned event playing field without first obtaining the required written consent, may be suspended by the State Director for up to one year and upon request of the State Director, may be suspended for a longer duration by the One Nation disbarment committee. State Directors allowing an official/umpire/referee back in the field of play without the

necessary consent will be subject to being disciplined as determined by the One Nation Baseball Board of Directors.

In the event of severe head trauma in a One Nation Baseball sanctioned activity, the injured person will not be moved, and an ambulance will be called, unless otherwise directed by a qualified medical professional. The parent or guardian of the injured person, however, will not be bound by this protocol and may choose a different approach consistent with their legal rights as the parent or guardian.

L2 - ALTERED BATS:

Altered Bat Director Inspection and Suspension: A One Nation Director may at any time ask to inspect a bat that has been brought into the location of a One Nation Baseball sanctioned event or any other One Nation facility. The owner and/or user may either:

Withhold the bat from inspection and accept an immediate two-year (automatic life time for second time offenders pursuant to One Nation Rules) suspension from One Nation sanctioned activities with no right to appeal; or,

Allow the Director to inspect the bat and reach a conclusion as to whether or not the bat might be altered.

L2a: Altered Bat Determination by Altered Bat Committee Chairman or Manufacturer: If, after making the inspection of a potential altered bat, the Director in his discretion decides that the bat might be an altered bat, the suspected offending owner and/or user and may either:

Withhold the bat from further examination by the One Nation Altered Bat Committee Chairman or Manufacturer and accept an immediate two-year (up to life time for second time offenders pursuant to One Nation Rules) suspension from One Nation sanctioned activities with no right to appeal; or

Allow the Director to send the bat to the One Nation Altered Bat Committee Chairman and/or Manufacturer for a determination as to whether or not the bat is altered. If the Manufacturer or the One Nation Altered Bat Committee Chairman determines that the bat has been altered, the Altered Bat Committee Chairman in consultation with the Director who inspected the bat at the One Nation headquarters may suspend a first-time offender for up to five (5) years from One Nation play. For a second-time offender, any such suspension may be life time.

L2b: Ownership and Knowledge of Bat Being Altered: The responsibility for knowing whether a bat is altered is that of the users and the owner of the bat. If an individual uses an altered bat in One Nation sanctioned play or is the owner of an altered bat that is brought into a

One Nation headquarters, the suspensions pursuant to One Nation Rules shall be imposed without regard to what the individual actually knew about the altered bat. An individual must know that his bat is not an altered bat, if he brings it into a One Nation facility or used it in a One Nation sanctioned activity. If not, the individual can be suspended from One Nation activities for using or owning an altered bat. The fact that the individual did not know that the bat was altered is not a factor in imposing the suspension. The only question is whether the bat is altered or whether the owner/user has refused to let the bat be examined to determine if it is altered. After the Director, Altered Bat Committee and Manufacturer examination of a bat to determine if it is altered have all been completed, or upon the decision of the owner/user to not allow further inspection of the bat pursuant to One Nation Rules. The bat shall be returned to the owner. If no one claims to be the owner, One Nation shall retain the bat. Once the bat has been returned to the owner, no appeal can be made with respect to whether the bat is altered or not.

L2c: Investigation Cooperation: Any coach, manager, player or other person who fails to cooperate in the investigation by One Nation of a potential or actual altered bat may be subject to an unsportsmanlike conduct suspension. A manager or coach of a team that has more than one of his team's bats determined to be altered (or not allowed to be inspected upon request for an altered bat inspection pursuant to One Nation Rules) may be subject to an unsportsmanlike conduct suspension.

L2d: Awards and Coach Suspensions: If an owner/user chooses to submit a suspected altered bat to the One Nation Altered Bat Committee or Manufacturer no awards may be given to the team until the bat is determined not to be altered. If the bat is found to be altered, no awards or berth shall be given, and the team shall be placed last in the standings and the listed manager and coaches may be suspended for unsportsmanlike conduct.

L2e: Participation in, Profits from, or Encouraging the Altering of One Nation Marked Bats: Anyone who participates in, profits from, or encourages the altering of stamped marked bats shall be suspended indefinitely from all One Nation activities, until the offending party has satisfied all requests of the One Nation Altered Bat Committee with respect to his altered bat activities including but not limited to publicly swearing under penalties of perjury to never again participate in, profit from, or encourage the altering of any stamped and approved bats marked bats. Violation of such an oath shall result in permanent suspension from all One Nation activities.

L3 - Compression Testing: Failure of a One Nation approved compression testing device test shall result in the offending bat being removed from play for the duration of the tournament or league game but no longer without the permission of the owner/user – such as in the case of an allowed One Nation altered bat determination pursuant to One Nation Rules. Multiple failures of such One Nation compression testing may in the discretion of One Nation be viewed as unsportsmanlike conduct of the owner/user, coaches, manager and team.

L4 - Custom Bats: No approved manufacturer may make a custom One Nation bat for a player or a team. All 1.15 BPF marked bats made by a One Nation approved manufacturer must be available to the public for purchase. Individualized graphics (such as a team name, different color, player name or number only changes for a team or player), however, do not constitute custom bats for purposes of this rule.

L5 - Worn, Abused, Damaged, Foreign Substance Bats Not Allowed in One Nation Sanctioned Play:

L5a: No bat is legal for One Nation sanctioned play, if it is damaged in any way. Damaged bats include those with damage to the knob or end cap, those which have loose knobs or end caps, and those with cracks or dents in the bat material. For example, if the end cap is in any way loose or appears damaged, the bat should be removed from play for being a damaged bat. If an end plug has come out or the knob has come off, the only way that such bat is legal in One Nation play, is if the knob or end cap is replaced by the manufacturer. Replacement by anyone else results in an altered bat with potential suspension for the owner/user of the bat.

L5b: No bat is legal for One Nation sanctioned play, if any of the graphics of the bat have worn off. For example, even if the only graphics that have worn off are not Key Graphic Information and are only items such as the patent no., a manufacturer logo, or the approval mark of another association, the bat should be removed from play for being too worn.

L5c: No bat is legal for One Nation sanctioned play, if the paint has been worn through and the actual bat material is showing. For example, if at the end of the barrel next to the taper where there are no graphics the bat paint is worn off and the underlying bat material is exposed, that bat should be removed from play for being too worn.

L5d: No bat is legal for One Nation sanctioned play, if there is a foreign substance on the barrel or taper of a bat. Foreign substances included among other substances, pine tar, stick-em type products and even dirt or mud, but only if the substance adds to the thickness of the barrel or covers Key Graphic Information such as the USSSA 1.15 BPF mark, the serial number of the bat, the model or manufacturer name, official softball, etc. Players are responsible for their equipment and must clean such substances off of their bats so that the substance does not add to the thickness of the bat or obscure any Key Graphics Information about the bat. For example, while bats shall surely get dirt on them under normal use and may have pine tar added to the grip, if the dirt or pine tar obscures Key Graphic Information or adds to the thickness of the bat, such bats cannot be used in One Nation play until the dirt or pine tar has been removed to the extent necessary to make all such Key Graphic Information readable and the bat not have increased thickness. If Key Graphic Information about a bat cannot be read, the bat should not be used in One Nation Baseball sanction play.

L6 - If any removed bat pursuant to One Nation Rules is brought back into play at any One Nation sanctioned event at any time, the owner and user of such bat may be suspended for up to one year for unsportsmanlike conduct. And if the worn/abused/damaged/foreign substance is apparent enough that the batter should have been aware of it, the batter may be so suspended for bringing such a bat into the batter's box without having been warned in advance. Players are responsible for their equipment and must not use equipment that is even potentially illegal for use in One Nation Baseball sanctioned play.

L6a: In addition to the player being suspended for unsportsmanlike conduct, coaches of youth teams may also be so suspended when their players attempt to bat with such bats. Also, coaches of adult teams which have multiple offenses under this rule may also be so suspended for failing to have his team follow One Nation equipment rules. Please be reminded that unsportsmanlike conduct can result in a game or tournament suspension in the discretion of the umpire or tournament director and up to a year suspension in the discretion of the State Director.

L7 - Youth Player Altered Bats: The parents or legal guardians of a youth player suspended pursuant to One Nation Rules may be suspended for any time period, including life, from all One Nation sanctioned activities. If both parents are suspended, the player even after his suspension has ended pursuant to One Nation Rules cannot participate in One Nation sanctioned activities until the suspension of one of the players parents has also ended or until the player reaches the age of eighteen (18) years old. In addition to any other penalties pursuant to One Nation Rules, any coach or manager of a youth team that has more than one suspension imposed on his players in connection with One Nation Rules may be suspended from all One Nation activities for any time period, including life.

L8 - Altered Bat: An "Altered Bat" is a bat that has had its physical structure changed, including, but not limited to:

L8a: The bat has had the surface of the barrel or the taper changed in any way such as by addition of graphics, painting, repainting, removal of bat material or paint by any means including but not limited to sandpapering or applying a solvent to the surface such as fingernail polish remover or by any other means.

L8b: The bat has had the plug or the knob removed/replaced or changed in any way.

L8c: The bat has had anything removed or added or inserted to the inside or outside of the bat other than tape at the handle or knob. Other examples of altering a bat would be changing or replacing manufacturers' markings or replacing the handle of a bat with a new handle. Replacing the grip, adding tape or adding a build up to the handle is not considered altering a bat.

L8d: The bat has been subjected to pressure in a manner that exceeds that of striking the bat at game speed swing speed against a One Nation approved ball traveling at game speeds. Such pressure would include, but is not limited to, compressing the bat, rolling the bat, vicing the bat or hitting the bat against an object such as a tree or pole. The bat has in any other way had its on-field performance improved by physically changing the bat (other than by hitting the bat at game condition swing speeds against a One Nation approved ball traveling at game condition speeds).

RULE M – SPORTSMANSHIP & EJECTIONS

M1 – All players, coaches, managers, sponsors and spectators are expected to conduct themselves in a sportsmanlike manner at all times. The League/Tournament Director has the authority to remove anyone from the event at any time for unsportsmanlike conduct. Any player, coach, manager, sponsor or spectator whose conduct is unbecoming or abusive shall at a minimum be reprimanded with a warning. If warranted, the offending party shall be ejected from the game at the discretion of the umpires and/or the League/Tournament Director.

M2 – Any player, coach, manager, sponsor or spectator leaving their position or base, in the field, on the bench, in the dugout area or grandstands to participate in a fight, brawl or altercation shall be immediately ejected from the game and may be disbarred/suspended.

Any player ejected from a game shall either immediately remove them self from the vicinity of the playing field for the remainder of the game or be confined to the dugout area for the remainder of the game at the discretion of the League/Tournament Director. No protest shall be allowed following the game. League/Tournament officials shall rule on all protests and their decisions shall be final.

02 - The Protest fee shall be \$100.00 CASH. The fee shall be returned only if the protest is upheld. Leagues may develop their own fee structure and methods of recording and settling protests.
