The Quiet Concentrator

The Future of Stationary Oxygen

The new OxyHome® Stationary Concentrator seamlessly blends style and functionality with its innovative design. Its compact size ensures that it fits effortlessly into any living space. But what truly sets it apart is its near-silent operation.

Enjoy daily activities without interruption; OxyHome is so quiet, you won't even notice it's running!

OxyHome Benefits

- Home Oxygen Filling Compatible
- Quiet operation
- Small footprint
- Alarm indicators: no flow, low pressure, purity, power
- Twin blower cooling design
- Contemporary look
- 3-year warranty
