Faith & Family for this Week; Read, Discuss, Act: There are many things we probably don't know about the people & world around us. Find something that you would like to know more about, such as another religion or culture, and find a way to educate yourself by reading books or articles, or finding someone whom you can talk with about the subject. Share what you learn with family and friends. <https://www.franciscanmedia.org/faith-and-family>
