It is at this exact moment that our faith is most needed! Start preparing *today*;

A strong and heavy wind was rending the mountains and crushing rocks before the LORD—but the LORD was not in the wind.

After the wind there was an earthquake—but the LORD was not in the earthquake.

After the earthquake there was fire—but the LORD was not in the fire.

After the fire there was a tiny whispering sound.

When he heard this, Elijah hid his face in his cloak and went and stood at the entrance of the cave.

It is at this exact moment that our faith is most needed! During this challenging time of COVID-19, we are reminded that God is with us in the tiniest of signs and in the middle of our storms. Following Elijah's and the disciples' example; stay steadfast in faith; take some quiet time today and look for God's presence in your life.
