PROXY INFORMATION

DON'T LET MOBILITY OR A BUSY SCHEDULE STOP YOU FROM GETTING THE HELP YOU NEED!

A proxy can pick up food on behalf of someone in need. Together we can do more; together we can grow hope in our communities.

Q: Who can become a proxy?

A: Anyone! You can have a friend, neighbor, or relative pick up food from one of our Partner Charities. Simply fill out a Letter of Proxy form and have your proxy bring it to the food pantry or Farmer's Market.

Q: What can my proxy expect when picking up food?

A: Once a proxy arrives at the food pantry, a volunteer will have them fill out an eligibility form on site. It's simple and easy!

Healthier communities mean brighter futures.
