We also have the ability to accept donations by TEXT.

Send an amount, such as \$50 to **(440)588-8202.** You will receive a text back, stating 'It looks like you are a new giver' with a link to set up an account. When you click on the link, it will take you to a screen very similar to the Breeze online giving screen. You enter the amount, by Credit/Debit card (which can be changed to ACH Bank Transfer), name, email, frequency, and comment. When you have completed the form, click on **Donate Now**. You will receive a confirmation text stating that you have registered your phone and completed your donation. To give in the future, text 'Give' to the number. You will receive prompts asking the amount but will not have to enter your account information again.
