

Lessons for the week of April 13

Tuesday-Wednesday

Letter Rr/Number 7/Rhyming:

Introduce the letter Rr: Show your child a letter Rr flash card and have them make the letter sound. Have them give you examples of words that start with the letter Rr.

Show them the number 7 flash card. Have them find 7 things that start with the letter Rr.

Introduce Rhyming by having them tell you 2 words that sound alike. (Ex. car and star)

Rr for Rainbow Paper: Have your child trace upper case letter R and the lower-case letter r. Have your child practice writing 3 upper case and 3 lower case letters on the back to practice. Make sure your child is pinching their pencil correctly and not gripping it. Don't forget to have your child practice writing their name on paper. For the older children, first and last names.

Large Motor Game: Raindrop with Umbrella Game: Make 7 large raindrops out of construction paper and write the numbers 1 thru 7 on each of them and have your child count as you put them into an open upside-down umbrella. Play music and have your child dance. When the music stops, turn the umbrella right side up and lets the rain drops fall to the ground. Call out a number and have your child find the correct rain drop. Repeat calling out a different number.

Project-Rainbows are colorful Paper: Have your child write the upper-case letter R and lower- case letter r on the lines to finish the words. When they are finished have them watercolor the rainbow and add 7 raindrops.

Fine Motor Activity: Have your child roll the dice and count the number of dots on each and then add together.

Have your child guess what they will roll before they roll die. Have them try to write the number down and then see if what number they rolled. Keep track of the number they correctly guessed for fun.
