

## Lessons for the week of April 27

### **Monday-Tuesday**

#### **Letter Ff / Number 10:**

**Introduce the letter Ff and number 10:** Show your child a letter Ff flash card and have them make the letter sound. Have them give you examples of words that start with the letter Ff.

Show your child the number 10. Have them count how many fingers and toes they have. Have them use their pointer finger to write the number 10 in the air on a magic chalk board.

**Ff for Fruit Paper:** Have your child trace upper case letter F and the lower-case letter f. Have your child practice writing 3 upper case and 3 lower case letters on the back to practice. Have your child color and practice writing their name on paper. For the older children, first and last names.

**Large Motor Game: Fruit Relay-** Have your child place a plastic toy banana under their chin and go from one end of the room to the other without dropping it and place it in a basket. Can be played inside or outside.

**Art/Fine Motor:** Fruit Basket-Have your child color basket. Kids cut out fruit and glue into basket. Remember when you cut that your thumb is up. The scissor alligator open and closes his mouth straight on the line. Turn your paper, not your hand.

**Read Book:** Ten Wiggly, Wiggly Caterpillars / Fish is Fish

### **Wednesday**

**Review the letter Ff and number 10:** Show your child a letter Ff flash card and have them make the letter sound. Have them find and eat their favorite piece of fruit.

Show the number 10 flash card. Have them practice writing the number 10 on paper.

**Art: Snail-** Talk to your child about snails. Ask if snails are fast or slow. Show them pictures of different types of snails. Give them a small paper plate. Have child glue on different colors of tissue paper. If you do not have tissue paper, have your child color the plate. Cut out a snail body (long small oval) out of any color. Have your child draw an eye and rip out of a piece of paper 2 antennae and glue to head.

**Letter Ff fine motor activity:** Give your child a safe plastic knife and let them cut up a banana for their snack.

**Large Motor Activity:** Take a walk outside and look for snails. Find 10 things that start with the letter Ff inside or outside.

**Read:** Snail brings the mail / Friends to the Rescue

## **Thursday-Friday**

**Review the letter Ff and number 10:** Show your child a letter Ff flash card and have them make the letter sound.

Show the number 10 flash card. On note cards write the numbers 1 thru 10. Mix them up and have your child put the numbers in order.

**Number 10 Jar Paper:** Have your child trace and write the number 10 and then draw 10 pieces of fruit in the jar.

**Art: Mother's Day Coupon.** Kids give answer and sign name. Color a picture of you and your mom.

**Large Motor:** Go outside and play Hopscotch using the numbers 1 thru 10.

**Fine Motor:** Have your child find pictures of fruit in your Wednesday grocery adds and cut them out. Practice writing the letter Ff and the number 10.

**Letters, Numbers and Shapes Jar:** Add to your jar large motor skills (ex. Jump up and down 10 times, clap your hands 4 times, skip across the room). On each piece write an upper-case letter, lower-case letter, a shape or number. Have your child pick a piece of paper out of the jar and have them identify what is on the paper. For the older children, simple sight words can be added.

**Ff is for Fruit Salad:** For a family activity make fruit salad together.

**My Big World:** Flower Power-Look over and discuss with your child.

**Read:** Just Me And My Mom / Ten Black Dots
