

## Lessons for the week of May 4

### Monday-Tuesday

#### Letter Mm:

Introduce the letter Mm: Show your child a letter Mm flash card and have them make the letter sound. Have them give you examples of words that start with the letter Mm. Have your child use their pointer finger to write the letter Mm (upper and lower case) in the air on a magic chalk board.

Mm for Moon Paper: Have your child trace upper case letter M and the lower-case letter m. Have your child practice writing 3 upper case and 3 lower case letters on the back to practice. Have your child color and practice writing their name on paper. For the older children, first and last names.

Large Motor Game: Dance to music- Turn on their favorite music and dance! You can even pause the music and have them freeze. Continue to freeze several times throughout the song.

Art/Fine Motor: Mice Project- take a cupcake holder and have your child cut it in half. Glue the halves on a piece of construction paper to make the bodies. Have your child glue on a string for a tail and cut out two small circles for ears and color one eye, nose and whiskers on each mouse. Color grass, sun a piece of cheese and what ever else you want to add.

Read Book: If you Give a Mouse a Cookie

### Wednesday

Review the letter Mm: Show your child a letter Mm flash card and have them make the letter sound.

Mother's Day Duck and Duckling coloring sheet: Have your child color and sign name.

Art: Marble Paint: Use 7 marbles, a piece of computer paper and your favorite colors of paint. Put the paper in an empty shoe box or a pan with high sides, add a few drops of paint and the marbles. Let your child gently roll the marbles back and forth, side to side to create their picture.

Fine motor activity: M&M sorting- Give your child a couple of scoops of M&M's on a paper towel. Have your child sort by color and when finished count the number in each color. Afterwards, they can eat them!

Large Motor Activity: M & M Hide and Seek- Make paper M & M's and hide them around the house. Have your child find them and count, sort them by colors.
