Zentra

Access Simplicity

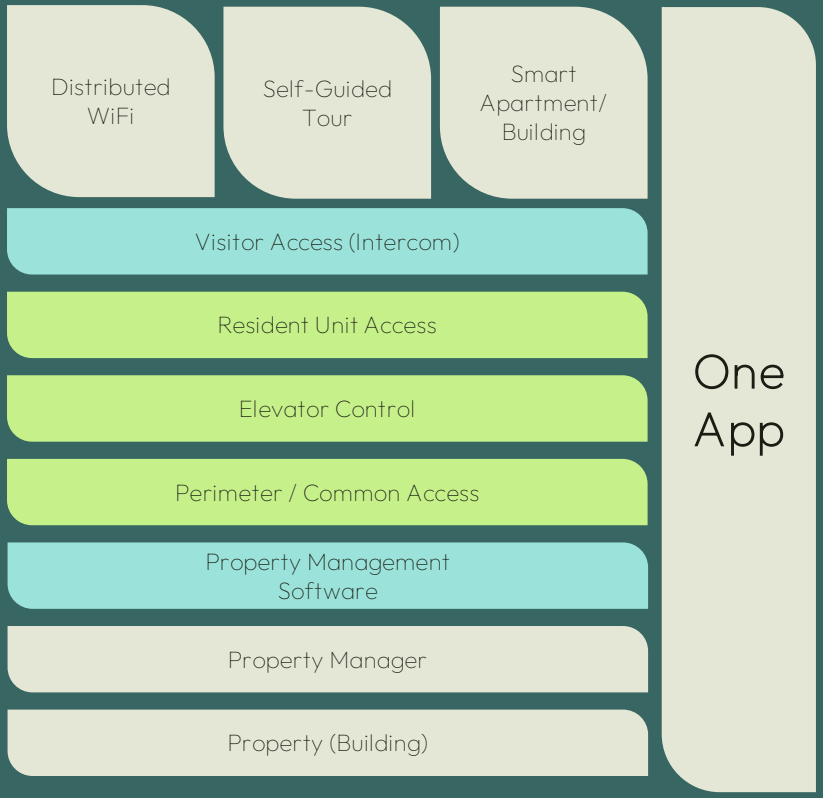
What is Zentra?

Simpler, smarter, more secure.

Integrated software, hardware and services solution uniquely designed around multifamily.

How Zentra Impacts Your Building

Solving for integrated building access



Simple
Mobile

- Mobile included – unlimited
    - New workflows for operational efficiency
    - Attract residents
    - Close the gap of offline locks
- Single credential for all access points – mobile or fob
- *Apple & Android wallet*

All brand names, product names or trademarks are the property of their respective owners.

Smart

Built for Multifamily

- Smart workflow built for multifamily
  - Ease of use
  - Less training
- *APIs / Access Engine*
  - *Property Management Systems*
  - *Intercom integrations*
  - *Proptech integrations / migrations*

Secure

One System

- Eliminate multiple databases
- Online perimeter
- Takeover ability to single system
- System scalability
- System expandability
- Single manufacturer for total solution (hardware + software)
- Standardization

One System

Simple

- Single system from unit to perimeter
- Single credential experience, mobile or fob
- Full online perimeter capabilities
- Simple workflow designed for multifamily and ease of use
- Dedicated customer success team
- Full solution support – hardware / software / Authorized Integrators
- Works with the Schlage® ecosystem of hardware
- *Available Property Management System and intercom integrations**

Launching Summer 2023

**future integrations*
