

Warren General Hospital is currently seeking Medical Technologists and Medical Laboratory Technicians for permanent positions.

We are a rural community hospital located 65 miles southeast of Erie, Pa on the banks of the Allegheny River in the Allegheny National Forest. The hospital is an independent organization with affiliations to Allegheny Health Network, St. Vincent Hospital of Erie, Pa, LECOM medical school and Highmark Insurance. We have 85 inpatient beds including maternal child health, general medical/surgical, pediatrics, emergency care and inpatient psychiatric care. Additionally, Warren General Hospital provides outpatient cancer care treatment including hematology, medical oncology, and radiation therapies.

Our Tech staff is a team of generalists offering hematology, chemistry, blood bank, pathology and limited microbiology. We operate 24/7 year-round providing quality care for our organization and community. We run Beckman instruments for hematology, urinalysis, and chemistry and IL coagulation instruments. The primary instruments are interfaced to our Meditech LIS. In addition to our medical technologist and technicians, we have a phlebotomy team providing 24-hour coverage and support. We have a caring, supportive staff who focus on providing the best care for our patients. They work well together and support each other on the job and outside of work.

Warren General Hospital offers a competitive wage and benefits package. We are also offering a significant sign-on bonus for new employees.

Warren is a rural community with a population of about 10,000 residents in the city and 39,000 residents countywide. It is conveniently located between Cleveland, OH, Pittsburgh, PA, Erie, PA and Buffalo, NY. There is a wealth of outdoor activities available in the region, with plenty of space for cycling, boating, fishing, hiking, hunting, and other outdoor activities. The Kinzua Reservoir and Chapman State Park are within 10 miles of downtown Warren. The Struther's Library Theater offers live plays and concerts with both professional and amateur artists. Warren is a family community and a great place to raise children. There are many community activities throughout the year including a July 4th celebration, farmer's market, Christmas walk, Winter carnival, and others. You can view the community through the links below.
